DISTRICT OF NEW JERSEY**

IN RE: JOHNSON & JOHNSON)
TALCUM POWDER PRODUCTS)
MARKETING, SALES PRACTICES AND) MDL Docket No. 2738
PRODUCTS LIABILITY LITIGATION)

This Document Relates To All Cases
Listed on Exhibits A and B

WHEREAS the plaintiffs listed on the attached **Exhibit A** are included on multi-plaintiff complaints that have not yet been dismissed or severed into individual cases as required by Case Management Order No. 1, and for good cause shown;

IT IS on this 12th day of November, 2020,

ORDERED that:

1. The plaintiffs listed on the attached **Exhibit A** shall be severed into individual cases and, if not already done as noted in **Exhibit A, Column D**, assigned individual docket numbers as required by Case Management Order No. 1. The lead plaintiff on each multi-plaintiff complaint shall retain as her individual docket number the original docket number assigned to the multi-plaintiff complaint as noted in **Exhibit A, Column B**.

2. Within 45 days of entry of this Order, if not already done, each plaintiff listed on the attached **Exhibit A** shall file and serve an individual Short Form Complaint pursuant to Case Management Order No. 3 and pay the required filing fee, or the case will be dismissed with prejudice for failure to comply with this Court's Orders.

3. To the extent that any of the plaintiffs listed on the attached **Exhibit A** filed an individual Short Form Complaint under the multi-plaintiff docket number, the individual Short Form Complaint and any responsive Notices of Appearance filed by defendants shall be transferred to that plaintiff's new docket number and the plaintiff will not be required to file a new Short Form Complaint.

4. In each severed case for which a new individual docket number is opened pursuant to this Order, the clerk's office will add counsel of record for plaintiff so that they will automatically receive CM/ECF notifications in the severed cases.

5. Plaintiffs in each severed case for which a new individual docket number is opened pursuant to this Order shall pay the required filing fees within 45 days of entry of this Order or within 45 days after the new individual docket number is opened, whichever is later. Lead plaintiffs are not required to pay any new filing fees. Plaintiffs who already have individual docket numbers assigned and who have already paid the filing fee in connection are not required to pay any new filing fees.

6. If a lead plaintiff refiled their case on a separate individual docket as noted in **Exhibit A, Column B**, then the multi-plaintiff docket shall be administratively closed following severance of all other cases on the multi-plaintiff docket.

7. The plaintiffs listed on the attached **Exhibit B** have opted to re-file their cases in state court rather than proceed in the MDL, and therefore those plaintiffs shall be severed from the multi-plaintiff MDL complaint and dismissed with prejudice rather than assigned an individual MDL docket number. The dismissal with prejudice of the now-duplicate MDL case shall have no substantive effect on the re-filed state court cases as listed in **Exhibit B**, the dismissal is procedural only to address a duplicate case, and the dismissal is not an adjudication on the merits. Further, the dismissal shall have no impact on the lead plaintiff on the multi-plaintiff complaint in which the dismissed case was originally joined and shall in no way affect or limit Defendants' affirmative defenses in any case, including but not limited to laches and statute of limitations.

8. In the event a dismissal is inadvertently entered in a case not subject to this Order, this will constitute grounds for the effected plaintiff to reinstate his or her case.

U.S. Chief District Judge
